POC_DSN_Phone: 335-6633

POC_Email: harveywt@2mawbft.usmc.mil

First_Date_Requested: 10/04/2005

Second_Date_Requested: 10/14/2005

Comments: **The requested time period corresponds to an at-sea period for the squadron. We will be underway for most of the month of October. We would like to request a workshop at any time during this period. The period will be the first time that this squadron has performed cyclic operations onboard a carrier deck in over 3 years. The feedback from this survey during this time period would be especially valuable as we reestablish our experience base with regard to underway operations.**

Scheduling Priorities

- Priority 1s only (operational squadrons). All requests for exceptions go through Program Manager.
- Try to stay on same coast.
- Try to schedule 2 back to back if you are paying for airfare.
